

## VP® Street Legal Motor Oil

### Synthetic European Formula

#### DESCRIPTION

**STREET LEGAL™ Synthetic European Motor Oil** is specially formulated with synthetic base stocks and advanced additive technology to meet and exceed stringent European OEM standards for high-performance vehicles. It provides aggressive resistance to sludge formation and varnish deposits during stop-and-go driving and under severe operating conditions while excellent oxidation stability reduces oil consumption between services.

Street Legal Synthetic European Motor Oil exceeds European vehicle warranty requirements as defined by API classification SP and ACEA standards A3/B4-2021.

#### PERFORMANCE BENEFITS

- Excellent anti-wear properties protect critical engine components
- Ultimate low-temperature fluid performance for added engine protection
- Maintains maximum engine protection under severe operating conditions
- Aggressive resistance to sludge and varnish deposits
- Delivers optimum fuel economy

#### PRODUCT APPLICATION

Recommended for turbo-charged or naturally aspirated gasoline-powered, diesel and flex-fuel passenger cars, hybrid vehicles, light-trucks and sport utility vehicles and fleets requiring:

API Service Category SP  
 ACEA Performance A3/B4-2021, A5/B5-21, A7/B7-21  
 Mercedes Benz 226.5, 229.3  
 Opel LL-A-025-B (SAE 5W-40)  
 Porsche A40 (SAE 0W-40 & 5W-40)  
 Renault 0710 & 0700  
 Volkswagen 501.01, 50200, 50500

Typical Physical Properties		
Property	Method	
SAE Grade		<b>5W-40</b>
Viscosity, cSt @40°C	D-445	81.0
Viscosity, cSt @100°C	D-445	13.3
Viscosity Index	D-2270	175
Specific Gravity, @60°F	D-1250	0.849
Flash Point, COC, °C(°F)	D-92	215 (420)
Pour Point, °C(°F)	D-97	-42 (-44)
CCS, cP, maximum @-30°C	D-5293	6000
Total Base Number (TBN)	D-2896	10.0
Sulfated Ash, wt%	D-4929	1.3

**Minor variations in physical test results may occur through normal manufacturing**

Always consult original equipment manufacturer's lubricant recommendation for proper fluid application.
